throughout the state at a more rapid rate than and ritin the same design. It can scarcely smeanty to fellow these eriters through rock they have under taken. The churge sagain; and if there shall be continued residually have analysis to fellow these eriters through the fellow these eriters through the fellow the fellow the fellow the fellow that the fellow the fellow the fellow that the fellow the fellow that the fellow the fellow that the f ne superministion of their purpose, is so tyrthist the public judgment upon the Portland their majorities. during the war," and that the celebration was and paralyzed by them as to be interly anable conduct of the treat and the conduct of the conduc

cwn, may not like. Most people are of opinion that the men who carried the flag through the sasswer to a charge not from a northern but from a southern source. Some time since Gen. Thomas L. Clingman of North, Oarolina, who storm of Shiloh and Gettysburg are entitled to true a nepator from that state in 1868, and aftertance a major-general in the Confederate of July, and not be called partisans either. service, made the statement that President Buchanan approved the mission of Jacob Thompson to North Carolina in 1860—a precautions to invure the safety of their city though it may a supposed that good people on undertaken to hasten the withdrawal here and there who are so great sticklers for of that save from the union. But the attempt legal forms will deplore a proceeding which has forced thieves to diagonge by means not impeach this assertion has called out a long dan General Clineman, in which he reprovided for by law, and which has suggested with stiging declaration and fortifies it. be planderers and incendiaries that there raws be safer places for them just at this time than ever. There is small reason to suppose that the friends of Mr. Buchanan will succeed, now Astoria. Gerdes, too, will think it an outrage that his fellow dive keepers, till, Guider and Riley, have been streed to shut up shop at an or bereafter, in making his conduct during the incubation of accession appear other than unfaithful to the country. Imbedice it certainly early hour. If these estimable gentionion would only transfer their "business" to Port-land, he would show them how to get elected to was. The best that can be said of him seems to be that white he did not desire the disruption of the union, he was wholly under the inthe common souncil and make laws for the city. instead of being "merorized" as they are by the "fankties" of distoris, who ruthlessly sit down nes of those who were plosting it, and allowed the country to drift to the very extrema on "a gentleman's legitimate business."

King and Mr. Curis have been called out as an

The Dukes trial stel the star roote cases all "blowing" about the Each jettles, there is have resulted in one great good-they have un sure depth of water at the mouth of the roused the country to distrust in jury verdicts. There is much talk in the eget about modifications of the fory system. Some of the states of the fory system. The people of New Orioans were need to establish large refineries we that they might obtain them about of the have recently passed lews providing for a mamontion in civil cases. Whether this change would be wise in criminal cases is hard Shear, lat any reason egainst it has not yet, the northwest. But someting, in an absent made. The United States and England dillion to refineries will be required. When the maximum to exactly get aground in the South Pass engineering. mons rates of lighterage and tograme are barged. The cotton exchange of few Queens of a jory is requisits to a verdict. In France and Germany the agreement of eight juriors is sufficient, and of the decision is seven to five protests against these exactions, but so for the side brevails which receives the endorse-ment of the judge or judges on the bench. A similar rate is in use in Italy, and in Scotland where murderers are tried by an assize, or jury quite. It is certain that the abandonment of the requirement of unanimity would permit New York Journal of Commerce mentioned the organization of a society, to be known as the "Union for Caristian Works sineing many evals to drop out of the jury system of the United States. The agreement of cleven Thieves." jurors again to be sufficient for a scraict, and merce contained a note from the president and in the egotion of many, ten jurous ought to be resesser of the "Union for Caristian Work

while to spoyner or to acquit. The press of Coi. mag is at work upon a pro-ject for a great velebration in that city in Ur. ber, 1892, the four hundredth apairers ary of done at Cornell waiters by the discovery of the continent.
